

Lighting the World for More than 4 Decades

LUXPAL[®]
SMART LIGHTING SOLUTION
Since 1977

Preferred Choice of
Major **OEMs** in India
Automotive Lighting Solutions

Manufacturer of Complete Range of Halogen, Incandescent & LED Bulbs

CHAIRMAN'S MESSAGE

LUXPAL has indeed come a long way, from a humble beginning from my first venture 'G.T Lamps Pvt Ltd.' to now establishing three companies with State of the Art Infrastructure and leading technology, it has been a remarkable achievement for us. The group has always focused to maintain Goodwill by attaining Customer Loyalty. This has only been possible by consistently putting in our blood & sweat to provide superior quality products at Competitive prices. With continuous innovation, LUXPAL has been able to diversify and work extensively in the field of LED Bulbs and Lights and aims to dominate this category. LUXPAL's commitment to dependability and innovation has won company a reputation for producing high-quality goods at reasonable rates. LUXPAL seeks to work with individuals and businesses who have a vision for changing the automotive lighting sector.

S.C Gupta
Founder & Chairman

ABOUT LUXPAL

With a history of more than 4 decades, LUXPAL is a pioneer in the realm of Automotive Lighting. Driven by Innovation and sheer dynamism, LUXPAL aims to bring Revolution in Automotive Lighting Industry by bringing in cutting edge technology. This is evident by the vast range of Automotive Incandescent and LED Bulbs and Lights that LUXPAL has been able to develop with continuous R&D and futuristic approach.

Driven by the passion to maintain superior quality and continuous effort to innovate and improve our processes has enabled LUXPAL to become suppliers to Major Vehicle Manufacturers in India which includes companies like TVSMotors, Hero Moto Corp, Royal Enfield, Bajaj Auto, etc., and 20 other Electric Vehicles Manufacturers including Revamp Moto, Hop Electric, Batt:RE, etc.

As the title Suggests, 'Smart Lighting Solution', LUXPAL , with it's leading technology, has been able to provide smart solutions for the lighting of Two Wheelers, Three Wheelers, Four Wheelers, Heavy Vehicles & Electric Vehicles.

We all know the importance of Automotive lighting and it's components in the Automobile Industry. Not just because they make a vehicle more visible and play a crucial role in improving the aesthetics, but also they ensure the driver's and pedestrian's safety. Hence, we cannot underestimate the importance of a reliable lighting solution. LUXPAL aims to provide just that. Thus, we are working 24/7 to achieve Massive Transformation in the market in terms of Reliability and Creativity.

'WELCOME TO THE WORLD OF AUTOMOTIVE LIGHTING'

'WELCOME TO THE REVOLUTION'
